## BIGGEST ATTENDANCE

Ever Known in the Public  
Schools

For One Day—Was 1,831 White  
Pupils.

Supt. McBroom, of the public  
schools, reports that last Wednesday  
there was the largest white attend-  
ance ever known in Paducah. The  
total number of white pupils present  
on that day was 1,831, which, added  
to the colored attendance, swelled  
the total to nearly 2,000.

Last night the teachers held an en-  
joyable meeting in the high school  
building. There were about thirty  
present, and Sydney Lanier was dis-  
cussed.

created by perfumes—"sweet fragrance

## CUBAN CRISIS APPROACHING.

Believed That Congress Will  
Take Some Action For the  
Happiest Island Next  
Week.

More Toll Gates Raided in the  
State Last Night—Remark-  
able Escape of Ocean Voy-  
agers From Death.

Washington, Feb. 12.—It is be-  
lieved here that congress will take  
some decided action next week in be-  
half of Cuba. The De Lome affair  
has exposed Spanish duplicity to such  
an extent that it is thought that con-  
gress will refrain no longer. It is  
an open secret that Speaker Reed ad-  
mits that he can not restrain the  
house much longer. Just what form  
the action will assume is unknown.

## NARROW ESCAPE.

Steamer Sinks In Mid Ocean. But  
the Passenger List all Saved.

New York, Feb. 12.—Intelligence  
has reached here of the sinking of  
the steamship Vesdam in mid-ocean.  
The ill fated steamer had an immense  
passenger list, all of whom were  
saved by the steamer St. Louis.

## MUST REMAIN WITH BENDEL.

Judge Buffington Decides Against  
the Abducted Von Der Ahe.

Pittsburg, Pa., Feb. 12.—At a  
special session of the United States  
court at 4:45 o'clock yesterday af-  
ternoon Judge Buffington decided  
that Chris Von der Ahe must remain  
in charge of Detective Bendel, who  
abducted him from St. Louis.  
Von der Ahe will take an appeal.

## For Capt. Stone.

Kuttawa, Ky., Feb. 12.—The  
statement printed Thursday from  
Kuttawa that petitions would be cir-  
culated in this county calling on ex-  
Gov. Brown to run for governor do  
not seem to be true. The people of  
this county love ex-Gov. Brown,  
but they are for Hon. W. J.  
Stone for governor to a finish.

## FROZEN TO DEATH.

Five Men Died of Cold on Chilkoot  
Pass.

Victoria, B. C., Feb. 12.—Ac-  
cording to news from Alaska by the  
City of Topeka, one of the small  
steamers plying between Juneau and  
Skagway brought word just as the  
Topeka sailed that five men had been  
frozen to death on the Chilkoot Pass  
and three others brought to Dyce,  
although names or places were not  
yet obtainable.

## Bryan May Not Come.

Frankfort, Ky., Feb. 12.—Represen-  
tative Humphreys has received a  
letter from Mr. Wm. J. Bryan stat-  
ing: "It will not be possible for me  
to come by February 22. I am not  
certain that I will be able to come  
during the session. Previous prom-  
ises, and accumulation of work, pre-  
vent me from being able to make  
definite promise."

## AFTER MURPHY.

New York Legislature Will "Resolute  
Agree Him" Monday.

Albany, N. Y., Feb. 12.—In the  
state senate yesterday the Brush  
and Weeks resolutions in regard to  
United States Senator Murphy were  
made the special order for Monday evening.  
The Weeks resolution, which pas-  
sed the assembly Thursday, censures  
the senator for his vote in favor of  
the Teller bill. The Brush resolution  
censures the senator and demands his  
resignation for the same reason.

## TOLL GATE WAR.

county and one in Shelby. This is  
the first raid in Shelby county.

Frankfort, Ky., Feb. 12.—The

noon sessions hereafter.

## TANNER IS FOR WAR.

The Governor of Illinois Thinks the  
Murders in Cuba Should Cease.

Springfield, Ill., Feb. 12.—Gov.  
Tanner, in a proclamation yesterday  
requesting contributions to the relief  
fund authorized by President Mc-  
Kinley, said:

"While I approve and second the  
action of the president in this regard,  
it is deeply impressed upon my mind  
that measures of temporary relief are  
but palliative in their nature, and  
that while their effect is partly good,  
it is also partly injurious and deplora-  
ble. What is demanded at our  
hands, in my judgment, is preven-  
tion, which can be secured only by  
using all the influences and power of  
the government to put an end to the  
civil war in Cuba, for which the time  
now seems fully ripe, by recognizing

the Cuban republic and insisting that  
the freedom and independence of the  
Cuban people shall be respected  
throughout the world.

## NO SIX DAY RACES.

L. A. W. Abolished Them and  
Fixed a Salary for Mott.

St. Louis, Feb. 12.—The L. A.  
W. yesterday adopted an amendment  
to the by-laws providing for the pay-  
ment of a salary of \$2,000 per an-  
num to the chairman of the racing  
board, and the other members there-  
of shall be allowed such sums an-  
nually for the expenses of the offices  
as shall be fixed or shall be approved  
by the national assembly. Six days'  
continuous racing held under L. A.  
W. auspices was done away with by  
the adoption of an amendment to the  
racing rules.

## ARMED GUARDS.

Ready to Prevent Tollgate Raid-  
ing in Bracken County.

Augusta, Ky., Feb. 12.—Five  
heavily armed guards are on duty at  
five tollgates in this county. While  
there has been no raiding reported  
lately, it is feared it is only the calm  
before the storm.

The general belief is that the raid-  
ers will not stay away from the  
guarded gates, and when they at-  
tempt any more marauding there will  
certainly be bloodshed.

## Shooting at Princeton.

Princeton, Ky., Feb. 11.—While  
the negroes were preparing for a  
well entertained at the colored  
Methodist church last night. Buster  
Eckles shot Arthur Thompson with a  
pistol, the shot taking effect in the  
stomach. Eckles fled but was cap-  
tured today and lodged in jail.

## SAGASTA WAS SURPRISED.

The Premier Says He Regrets the  
Spanish Minister's Folly.

Madrid, Feb. 12.—The premier,  
Senor Sagasta, said to the correspon-  
dent of the Associated Press: "I  
was surprised at Senor de Lome's  
letter, for in all his communications,  
official and private, addressed to the  
government, he spoke respectfully of  
President McKinley. I regret De  
Lome's indiscretion and folly for he  
has rendered Spain signal service at  
Washington."

On the question of Senor De  
Lome's successor, Senor Sagasta was  
reticent.  
According to a dispatch received  
here from Havana, the letter of Senor  
De Lome to Senor Canalejas was  
abstracted by the person charged to  
forward it to the latter and, it is  
added, this person received \$1,000  
for it.

Breckinridge, of Kentucky, was  
drowned this morning. He was an  
officer on the torpedo boat Cushing,  
and his death was caused by the  
parting of a life line. His remains

## MAN OF MANY ALIASES.

"Billy Patterson," "Doctor Tan-  
ner," "Box Car Bill," and  
Others—Before Judge  
Sanders.

He Tells a Very Complicated and  
Conflicting Story Before  
the Court. Other Po-  
lice Court News.

William Johnson, alias Mr. Patter-  
son alias George Watson, alias "Dr.  
Tanner," alias "Box Car Bill," was  
in Judge Sanders court this morning  
charged with stealing two huge pieces  
of leather from Michael Bros. The  
store door was found open one morn-  
ing and the leather was missed.  
Dock Boyd is the man who de-  
serves credit for catching Johnson.  
He ascertained that Johnson had the  
leather, and made an engagement  
with him to buy it. When Johnson  
delivered the leather he was nabbed  
by the officers in waiting. The  
leather is worth \$30 or more.

Johnson was introduced in his  
own behalf, and contradicted him-  
self many times. He said his home  
was wherever his hat was off, and  
told where all he had been during  
the last two months. He said  
he came here from Nortonville,  
and afterward said he came here from  
Memphis. He claimed he got the  
leather about a month ago from a  
man in a wagon, trading him a shot  
gun for it. He never saw the man  
before, and hadn't seen him since.

He admitted that he served a term  
in jail here about a year ago for steal-  
ing shirts, and said he then went by  
the name of George Watson. He  
said he had two names, that of his  
father and that of his mother, and  
sometimes went by one and some-  
times the other. County Attorney  
Graves asked him which was his  
mother's name, William Johnson or  
George Watson. The prisoner sat  
there and contradicted himself with  
the most remarkable sang froid,  
and his mendacity was so palpa-  
ble that oftentimes he himself  
would pause and smile at his own  
blunders. He appears to be about  
25 years of age, and is evidently an  
old timer in the business. The evi-  
dence against him is conclusive, and  
he will likely be held over Monday,  
to which day the case was continued.

Ed Marable and John Pete Eaker,  
fined \$100 and given 30 days in jail  
for creating a disturbance at Ter-  
rell's stable some time ago, were  
brought into court and had the fine  
suspended. They were recognized  
in the sum of \$100 for their good be-  
havior.

The case against Marshall Owen,  
colored, charged with knocking old  
man Warneck down, was left open  
until Monday. False swearing war-  
rants will be issued against some of  
the witnesses in the case.

## A FORTUNE

Awaits the Heirs of F. Rosen-  
kranz—Formerly of  
Paducah.

Mayor Lang Receives a Strange  
Looking Letter—Heirs Be-  
lieved to Be in Ev-  
ansville.

Mayor James M. Lang today re-  
ceived a letter that has traveled  
thousands of miles. It is a quaint  
looking missive covered with foreign  
stamps obliterated by writing in  
tongues unknown to the average citi-  
zen, and disfigured with inscriptions  
scratched by postmasters, dead letter  
officials and steamship mail agents.  
The letter was delivered to Mayor  
Lang today, and he handed it over to  
Dr. A. List, his pharmacist, who ex-  
perienced no difficulty in reading it.  
The letter is written in German on  
one sheet of paper, which was folded  
in such a manner as to answer for  
envelope and all.

The letter is from Ferdinand  
Ribitzky, and is dated Sept. 7, 1897,  
and was written at Castle Creven,  
Schwed, province of Brandenburg,  
Germany, and is making inquiry  
relative to the present whereabouts of  
F. W. Rosenkranz, who emigrated to  
Paducah in 1857, and began busi-  
ness here as a jeweler, or his heirs.  
Since the '70s he had not been heard  
from. There is now an inheritance  
that relatives desire to apportion, and  
they desire to learn where either  
Rosenkranz or his children reside. A  
fortune awaits them, but the amount  
is not given.

The letter reached America the  
latter part of September, but the New  
York postal authorities could not  
translate the address, and returned it  
to Germany.

It was then re-directed, and made  
its third trip across the Atlantic and  
came to Paducah.

Postmaster Clark found no one to  
send it to, and forwarded it to the dead  
letter office. It was then sent hither  
and thither until it reached Mayor  
Lang this morning.

Many of the older citizens remem-  
ber Rosenkranz. He came to Paducah  
about the year named above, and  
had a jewelry and watch making shop  
in the building formerly occupied by

Frank Martin's barber shop, on Broad-  
way, near Second. Mr. F. Hummel,  
the well known gun smith of North  
Fourth, had a shop in with him.  
Rosenkranz afterward went to Evans-  
ville and opened a saloon, but came  
back to Paducah and died about  
1864. One of his sons, Conrad, was  
in the confederate army and was  
killed. Mrs. Rosenkranz, wife of  
the deceased, now lives in Evansville,  
according to reports, as does her  
youngest son, Emil Rosenkranz.  
They will likely be glad to receive  
the pleasant news.

SATURDAY, FEB. 12, 1898

The average Daily Circulation of the Sun for the year 1897 was 1589 copies, as shown by the daily records of the office and proved by the sworn affidavits of four responsible men.

The Sun claims the largest circulation of any daily paper in Paducah. From the day of its first issue it has made its circulation public and asks its advertisers to make a complete investigation of its circulation books at any time. No other paper in Paducah will state its circulation.

KENTUCKY is well represented on the congressional campaign committees. Hon. C. K. Wheeler, of the First district, the Democratic Gibraltar, and Hon. D. G. Colson, of the Eleventh district, the great Republican stronghold, are the Kentucky members of their respective campaign committees.

The attempts of the people in some parts of the state to bring out ex-Governor Brown as a candidate for the gubernatorial nomination are laudable, but will prove a waste of time and without any permanent result. The politicians are now in the saddle and propose to stay there. Those conservative Democrats who fondly imagine that the "people" in their party have any rights which the "leaders" are bound to respect, are way behind the times. The attempt to bring out ex-Gov. Brown is however, a perfectly harmless pastime.

The Goebel election commission bill or rather the bill to elect Senator Goebel governor of Kentucky, was opposed by six Democratic senators who had the manliness, independence and honor to vote against the measure. Hon. J. C. Bronston, of Fayette; R. C. Crenshaw, of Christian; Newton Frazier, of Shelby; J. H. McConnell, of Caldwell; Park C. Smith, of Henry, and R. S. Triplett, of Daviess, were the six senators. When the infamous measure reaches the House it is said that McCracken's representative, Hon. J. D. McQuinn, will also vote against it.

It is humiliating to the people of Kentucky to have our legislature waste its time upon childish legislation. The proposition to change the name of Carlisle county to William Jennings Bryan county is not the kind of legislation that one would expect from a body of grown men. It is childish, ridiculous and disgraceful. The proposed change of name cannot injure John G. Carlisle or cast any stain upon his honored name. His honor and fame are beyond the reach of the carping and jealous critics who hate him because he is so far their superior. The only result of the change of name will be to put into legislative enactment the positive proof and to brand a whole county with the indelible evidence of the puerility, narrow-mindedness and utter abandon, which would be the characteristics of a legislative majority that could so far lose its state pride and outrage public opinion as to belittle itself and the state it represents by resorting to such petty spite work under the cover of legislation.

**KENTUCKY'S DISGRACE.**  
The people of Kentucky are getting a lesson in practical politics where all principle and honor are abandoned in the absorbing desire for office. In the State Senate the spectacle is presented of a candidate for the Democratic nomination for Governor, the highest office in the gift of the people of Kentucky, advocating a bill which is especially designed to take the power of self-government out of the hands of the people and putting almost absolute power in the hands of an arbitrary commission.

Senator Goebel, the man who aspires to be Kentucky's next Governor, boasts that his election bill is a purely political one and intended merely to obtain and perpetuate Democratic control in State affairs. Upon the floor of the Senate Goebel stated, "I think more of the domination of the party to which I belong than the good of the people of any section of the state." The case is not on record when the most abandoned of political trucklers ever so brazenly defied public opinion and common political decency as Senator Goebel has done in these few words. The sentiment of these words is

seeks to embody in concrete form in his infamous bill establishing a Board of Election Commissioners. Circumstances have shown that Goebel is the czar of this Legislature, that the Senate and House are but the servile tools of his. By the provisions of the bill, this Legislature will, if the bill becomes a law, elect three State Commissioners, who will have the election machinery of the state elections, down to the most insignificant constable's district, completely and unreservedly in their hands.

The three commissioners will be the servants of Senator Goebel, and after he has gotten the Democratic nomination for governor and after the votes are cast in November, they will be called to see that upon the face of the returns he is victorious. Under the Goebel Election Commission, elections in Kentucky will be a farce and a fraud, and will serve to register the will of but three men, or, for the first four years, of but one man—Senator Goebel.

The lunch was elegant and everyone declared the afternoon as one of the most pleasant of the entire season.

Mrs. Walter Johnson will entertain her friends with progressive crokinole Tuesday afternoon at the Palmer House.

Miss Pauline Vaughan will entertain her friends Wednesday afternoon with progressive crokinole.

Miss Haskell, of Flint, Mich., arrived yesterday from Gates, where she has been visiting relatives, to be the guest of Mrs. George Flournoy for a few days.

Mr. Harry G. Tandy is in Frankfort on business and pleasure combined.

Miss Jeannette Campbell gave a delightful luncheon to a few of her friends last evening at the theatre.

On March 1st 1898 the marriage of Miss Daisy Mae Goodwin and Mr. E. W. Vaughan will take place at the First Christian church. Mr. Vaughan has now nearly recovered from the accident which necessarily postponed their marriage from December to this date. The wedding will be quite a social event, immediately after the ceremony a reception will be given them at the bride's home, and following this will be several entertainments complimentary to the newly married couple. Their attendants will be Misses Lelia Goodwin, maid of honor, Martha Leech, Mary K. Sowell, Pauline Vaughan, Mary Boswell, Mildred Vaughan and Janie Rivers. The groomsmen are Messrs. E. A. Harris, of Memphis, Turner, of Chicago, Joe Yeager, of Dyersburg, Lottie Smith, of Louisville, Wallace Weil, Jesse Gilbert and R. W. McKinney. This event will lend a little color to the otherwise leaden skies of Lent.

Mrs. Frank Scott entertained the Shakespeare club yesterday afternoon.

Mrs. Sowell returned this morning from Dawson Springs, where she has been for several weeks. Her many friends will be glad to know that she is greatly improved by her trip.

Mr. Pearson, the divine, has almost recovered from his severe attack of la grippe, and will preach both morning and evening at the First Presbyterian church tomorrow. These will be his last sermons in Paducah for the present.

Mr. Byron Whitesides is in the city visiting his brother, Dr. Whitesides.

Miss Ila Hart is still very ill, and has improved very little, if any, for the past few days.

Mr. Humphreys was in the city yesterday.

The Cooking club is progressing finely, and before long our city will be full of good cooks.

Councilman Wm. Eades will on February 23, at Birmingham, Ala., be united in marriage to Miss Woodson Mae Cole, of that city. The bride-to-be is one of the most popular young women of Birmingham, and Councilman Eades, as every one knows, is one of the most popular men in the city, and a very successful business man.

**Y. M. C. A. Delegates.**  
The Y. M. C. A. directors last night chose as delegates to the state convention at Louisville, Ky., on Feb. 17-20, Messrs. B. H. Scott and A. Anox. As before stated in the Sun, Misses Julia Scott and Ora V. Leigh have been designated to represent the Woman's Committee.

## STATE LEGISLATION.

The most important acts of the legislature yesterday were as follows:

**IN THE HOUSE.**  
The famous Dunlap bill was introduced in the House by Claude Desha, of Harrison county. The bill authorizes the city of Louisville to issue 4 per cent. bonds and authorizes the judge of the city court of Louisville to appoint a commissioner of assessment at a salary of \$3,000 and a deputy commissioner at a salary of \$1,500. This bill is preferred by the committee.

Other bills introduced were:  
Alex Brown—To prevent the introduction of the San Jose scale; Mr. Desha—To protect persons and firms in labels, trade marks and forms of advertising—providing penalties. Mr. Shephard—Giving the right to authorities to issue ten-year bonds for street improvements. Mr. Charlton—Act creating a hotel, boarding house and restaurant commission in each county, providing powers and duties. Mr. Mount—Changing the name of Carlisle county to William Jennings Bryan county. Mr. Cahill—Requiring owners to prevent dock, thistle and mullen from going to seed.

Speaker Beckham announced Messrs. Vanzant, Bertram and Owen as a committee under the resolution to invite Foraker to address the House.

The act raising the jurisdiction of magistrates' courts from \$100 to \$200 was passed.

Mr. Hatfield introduced an act allowing reward for killing wolves, wild cats, red and gray foxes in this state, and Mr. Wheeler an act preventing common carriers from delivering freight to corporations or persons at a less rate than to others, and prescribing penalties.

Mr. Pieratt's bill to elect school trustees on the first Saturday in October instead of the first Saturday in June, passed unanimously.

**IN THE SENATE.**  
New Bills.—By Senator McConnell—An act making it a misdemeanor or to fail to insure property. By Senator McChord—An act preventing common carriers from delivering goods to persons or corporations at less cost than to others. Act restricting appellate districts was passed, with the amendment changing Whitley from the Third to the Fifth district. The counties of Bell, Harlan, Leslie and Perry are taken from the Seventh and put in the Fifth district.

As passed the bill insures the Third (Lewis) district as surely democratic.

A bill to prevent discrimination by common carriers in delivering newspapers was passed, 22 to 0.

The act to prevent seining in private ponds and lakes without consent of owners, was passed.

**Notice to Citizens.**  
I respectfully call your attention to Sec. 1, of Ordinance 41, which is as follows:  
Sec. 1. It shall be unlawful for any person to deposit in or upon any of the streets, alleys or sidewalks, pavements or wharfs in Paducah any truck, wood, boxes, barrels, wagons, carts, drays, vehicles of any kind, ashes, coal, fill, or any other article or substance whatever.

Provided:—That the removing and depositing of freight, goods or commercial commodities in the usual manner of carrying on trade is lawful.

Provided further:—That all mechanics or other persons building or repairing in good faith, may use one half of the street for depositing building material, but they shall not build mortar beds across the gutters in any way so as to obstruct the free passage of water, and at the completion of such building or repairing they shall have the street cleaned and cleared of all litter, dirt and repair material. Provided further, that business men may occupy two feet each of their buildings for the purpose of exhibiting their goods. Any person who shall violate any of the provisions of this section of this ordinance or permit or authorize the same to be done, shall be fined not less than \$2.00 nor more than \$10.00 for every five hours the deposits or obstructions are suffered to remain.

The provisions as above set forth will be enforced after the 15th inst.

The Canvass Closed Last Night.

\$1,655.59 Were Subscribed By Citizens of Paducah.

The Young Men's Christian Association of Paducah is now on a more substantial financial footing than ever before. The canvass for funds required to maintain the association for the ensuing year ended last night. The work for the day had been of unusual interest and intensity, and when the directors met at 8 o'clock last night and counted up the subscription, they were elated to find that \$1,655.59 had been pledged. This is more than the amount asked, by a few dollars.

The board of directors last night adopted a resolution thanking the people of Paducah for responding so generously to the call for aid. To State Secretary Rosevaur and General Secretary Knox great credit is due for their untiring zeal in the work.

## TO PROTEST.

Railroad Men Held a Meeting Last Night.

Some of the railroad men of Paducah, following the example of railroad men in other parts of the state, held a meeting last night to express their disapproval of the railroad commissioners' bill now before the legislature. They universally denounced it as inimical to their welfare, and will send a delegate to Frankfort to enter formal protest.

This bill will materially effect all railroad men in the state, from car wiper up to superintendent, as it will give a few men practical control of the railroads, and thus militate against their prosperity, for anything that is injurious to the company is injurious to its employees.

The railroad men in Paducah are very anxious to see the bill defeated.

## WOMAN TO WOMEN.

A Few Valuable Hints From Mrs. Annie Jenness Miller.

"I am a woman, therefore I can understand women."

This expression was made by Sarah Bernhardt, the world famed actress, after creating a part in which the complex nature of woman was specially portrayed. Mme. Bernhardt, pictured the character true to life and her remark was in answer to a complimentary expression after her pronounced success.

The expression was true. Women do understand other women and their pleasures and troubles. They know what they need. Mrs. Annie Jenness Miller began this study early in life and has continued it ever since. She investigated the subject of appearance and the result was her book "Physical Beauty and How to Obtain It." She studied the subject of dressing and has done much to aid women in this important and delightful art. She studied the subject of Women's Physical Health and as a result discovered what she believes to be the proper means of constantly preserving it. In writing upon this subject, she said:

"It gives me pleasure to express my faith in the virtues of the well known discovery which is the only medicine I ever take or recommend. Six years ago I received the most pronounced benefit from its use at a time when suffering from mental overwork, and I have subsequently in my travels as a public lecturer recommended it to many people and personally know of several cases where it has succeeded when the doctors failed. This discovery was Warner's Safe Cure.

"Although I am now a perfectly well woman, I take several bottles of Safe Cure every spring, believing in the value of prevention rather than the necessity for the prompt cure, and in every instance Safe Cure has the effect to give new energy and vitality to all my powers."

Mrs. Miller's experience has been proven true in millions of other instances of women who were suffering and unhappy, and who by means of standard discovery are now in the possession of perfect health and are kept so by a continued use of this grand preparation.
